

The St. Marys Area United Way has served the citizens of the City of St. Marys, Fox, Jay and Benazette Townships since 1925. Making a contribution allows you to support 16 local agencies with just one donation. Our focus areas are education, income, and health - the building blocks for a good quality of life. We all win when a child succeeds in school, when families are financially stable, and when people are healthy.

Because of you, in the past 10 years, we have distributed over \$1.5M to local nonprofits. Your support allows us to continue supporting agencies that provide vital services for children, special needs individuals, libraries, families and individuals in crisis, students, women, senior citizens, and veterans.

The funds raised by the United Way stay here and go directly toward supporting our families, friends, and neighbors. Change starts with you. Take action today to make a difference in your community.
